# **CATERING POLICIES & INFORMATION**

## **SPONSORSHIP**

It is the policy of the Concord Country Club that any function booked for a non-member must be "Member-sponsored." It is ultimately the Member's responsibility if there is any default in payment or a problem with the condition of the facilities following the function. A sponsor letter or email must be provided to the Concord Country Club by the Member.

## **DEPOSITS & PAYMENT**

A deposit of \$1,000.00 and the signed contract is required to confirm the date, time and room rental of your event. 50% of the estimated cost is due 3 days prior to the scheduled event, with the balance due the day of the function. Credit cards are not accepted. Your deposit is non-refundable if the function is cancelled.

## **MENUS**

Menu selections must be made 21 days prior to your function date or before your invitations are printed. A final guaranteed number of guests must be received five working days in advance. If a final number is not received, the estimated number will be used as the final number for billing purposes. Charges will be based on your final guarantee or the actual number in attendance whichever is greater. When selecting two separate entrée alternatives for your guests, instead of a labor fee, the Club will charge all the meals at the higher priced entrée. It is the obligation of the client to provide the Club with the guaranteed number of guests for each selected entrée. In addition, the client must also provide each guest with an entrée indicator, (by color code on the seating card or by ticket) for our staff to collect during the function.

## **HOUSE CHARGE & SALES TAX**

22% House charges are applicable to all food and beverage. 7% Sales tax will apply to all food, beverage and house charges incurred during the function. Please note the house charge is not a gratuity for service to any food or beverage staffing. An additional gratuity may be adding to the final bill at the client's discretion.

## **LABOR FEES & RENTAL EQUIPMENT**

Labor Fees (for other than the usual function set up) are billed on a sliding scale. All rentals made by the Club on your behalf will be passed through and charged to the event at our cost.

## **PRICES**

The prices of menu items are at the sole discretion of our Executive Chef and based on current market prices. They are subject to change at any time. Your prices are confirmed when your catering contract/ function sheet has been signed and returned to the Club. Please do not confuse the confirmation letter you receive pertaining to the initial booking deposit with the catering contract. The confirmation letter simply confirms your space reservation. The catering contract itself is a complete document that includes your specific menu and beverage selections, a listing of your contracted vendors, a complete timeline, linen styles and colors, and so on.

## **FOOD**

The Chef and staff of Concord Country Club prepare all foods. No food may be brought in to the Club from the outside (with the exception of a wedding cake). No food or beverage will be allowed to be taken out of the Club.

## **BAR SET-UP FEES**

The Concord Country Club is a non-licensed facility for serving alcohol. Please refer to the Club's alcohol policy. Our managers, bartenders and wait staff are subject to legal prosecution if they do not meet their responsibility to ask for identification of anyone who appears to be under the age of 21 and if they serve anyone who appears to be consuming more alcohol than is considered reasonable and safe. We ask that you support us in meeting this responsibility. The bar will close one half hour prior to the end of the function. The Concord Country Club does not serve alcoholic beverages to entertainers or other vendors who have been hired by the host to work an event.

The Club charges a Bar Setup **\$10.00 per person**. This fee covers the cost of 1 bartender, the setup of the Club's glassware, and appropriate mixers and garnishes. If you are pouring wine with dinner there will be an additional charge for rental glassware. If your event is larger than 75 guests, there will be an additional charge for a second bartender.
